There are three sizes of tracks designed to hold various sizes of cans. Standard configuration refers to the number of rows of a particular system.

S = Small row. Holds regular cans, i.e. tuna, vegetable, soup.

M = Medium row. Holds medium cans, i.e. larger fruit

L = Large row. Holds #10 or gallon size cans.

D = Drawer row. Holds an area of 32" x 17.5".
